

Your career takes you

places

***Start your journey  
with EURES***

**explore jobs, traineeships,  
apprenticeships and  
support across Europe.**

EURES assists young European jobseekers to take their first step into the labour market abroad, gain experience and launch their careers abroad. From job matching, traineeships, apprenticeships and mobility funding schemes to information about living and working conditions, including in some cases, language courses, EURES is here to support you.
